## Maily Appeal.

WEDNESDAY EVENING, MARCH 23, 100

made another call for two hundred thousand these notes in the slightest degree. The new The Bulletin charges that " some of the succesuntary enlistments. Experience has taught after a treaty of peace. to enlist for active duty in the field. To dehas hitherie proved a sort of man trap, by which men have been gathered into the ranks, only to people, simple as they may be, can no longer | Senate: be humbugged or bambeczied by such tricks and subteringes.

We are, however, it to believe that Lin-COLN is either sincere or in carnest in making the call. That he will ever attempt to fill it by the enforcement of the conscription law we take occasion to give expression to their und have no idea. He is too shrewd a politician for that. Occupying, as he does, a prominent position as a candidate for the succession, this won! he a most ungracious and unpopular act. It would lose him votes, and he is just now more in want of votes than he is of soldiers. Only recently he has shown a willingness and disposition to sacrifice some twelve or fifteen hundred of the latter in order to gain three of the former in Florida.

No: in making this call, Lincoln is only "pe, "ging away" on his "big job." We presame he has concluded to drive his " five handred thensand" peg no further. This peg was to have been driven home on the 10th of March, but further hamm-ring upon it was postponed. we suppose, indefinitely, as we have neither heard nor seen any mertion of it since.

But however averse the Northern people may voice is still for war. Self-interest and selfpreservation prompt tham to keep the war on | Confederate notes of the old issue. its legs so long as they ext do so by humbigging the ignorant Dutch and Irish, and by their forced levies upon our negro population. for him that he should stave off the day of age! financial ruin as long as possible, and he can do not believe that it is his wish or his purpose

ting clear of a formidable and dangerous rival. The war has not tempered the minds and bearts of the Northern politicians down to a patriotic standard to the same extent that it has much vitality now as in the palmy days of peace, and the Presidential succession even now begins two bundred thousand more men. They will district to hear from. not come volustarily, and Lincoln dare not press
